

Temperature Indicators

Non Reversing Labels

THERMINDEX

- Self-adhesive
- Non-reversing-records peak temperatures
- Water and oil resistant
- 'Miniature' range has 4 sensing areas
- 'Standard' range has 8 sensing areas
- <1s response time
- ±1°C accuracy (<100°C), ±1% (>100°C)

Mfrs. List No. SERIES 4M=522-892 to 522-934
SERIES 8=522-958 to 552-995

°C temperature markings

Miniature				Order code
40	44	46	49	522-892
54	60	65	71	522-909
77	82	88	93	522-910
99	104	110	116	522-922
121	127	132	138	522-934

Standard								Order code
40.6	43.3	46	49	54.4	60	65.5	71	522-958
