BOX61

3U and 6U Modules – 'Varioset iS'

PCB retaining clip

- 3U and 6U modules constructed in anodised aluminium
- Steel rear panel has cut out (2 on 6U) for DIN 41612 connector
- Modules may be enclosed using painted ventilation covers

Kit contents:-

1 front panel, 1 handle (2 in 6U kit), 4 corner sections, 4 bracing struts, 1 rear panel, 2 side panels, fixing hardware and assembly instructions.

They slide into the card frame using four card/module guides.

Note: Not interchangeable with Critchley System
