

Torches

Maglite® Range

Features inherent to range

- Tough machined 'high-grade' Aluminium construction
- Rotating head combines beam adjustment and on/off switch (seperate switch on 'D' cell & Rechargeable)
- Low resistance circuitry extends battery life
- Rubber O'ring seals improve resistance to shock and water ingress
- Anodised finish inside and out to optimise corrosion resistance
- Spare Krypton bulb supplied in tail-cap of torch

Solitaire®

1 cell AAA

L = 81, D = 10

- Pocket/key-ring torches
- Supplied in presentation case with AAA battery and keystrap
