

Tool Boxes — continued

Plastic Tool Box

A durable, multi-purpose dark grey polypropylene box with no metal hinges or clasps making it completely rustproof. It is fitted with a strong recessable handle and has a metric conversion chart embossed in the lid. A removable, translucent ten compartment polypropylene box with integral lid is also supplied.

Compact Tool Boxes Lightweight

Lightweight, yet extremely rugged tool boxes, made of rust-proof, scratch resistant and virtually unbreakable high grade polypropylene. All the boxes have a removable tote tray, strong hinges, carry handles, may be padlocked for security, and are stackable.

In addition, the Compact 27, 47 and Compact 62 have 2 or 4 lockable drawers incorporated into the base. These, as well as the tote trays are designed to accept the RAACO inserts available separately.

FOR SUITABLE DRAWER/TRAY INSERTS SEE PAGE 1442
