Universal Drill Stand

Record
POWER TOOLS

New

- Sturdy, accurate and reliable drill stand
- Major structural components manufactured from cast grey iron – high damping capacity and resistance to fatigue stresses
- 43mm collar dia allows for all popular drills to be securely clamped with the aid of the cast locking collar
- Rotates through 360° so that the head-stock can be positioned over the edge of a work bench to allow for oversized work pieces

5 YEAR GUARANTEE

Height 700mm
Weight 17.4kg
Depth of feed 76mm
Throat depth 127mm
