Panel cut-outs

● A range of IEC inlets with voltage selector switch
● 115/230V selection
● 4.8mm push-on tabs on inlets, solder tags on switch
● Snap-fit mounting 1.0mm panel thickness
● Suitable for Class II applications
● Approvals, **VDE**, **SEV**, **SEMKO**, **NEMKO**, **FIMKO**, **UL** and **CSA**

Contact rating	10A @250Vac	Housing	Nylon 6.6 **UL94V-2**
Temperature range	0°C to +85°C	Contacts	Brass tin plated
		Terminations	4.8 0.8mm push-on

For snap fit ignore screw fixing hole.
Panel thickness: 0.8 - 1.2 cut-out, height = 31.41.3 - 2.0, cut-out height = 31.6

● Panel mount, combined mains inlet/fuseholders
● Fuse drawer accomodates a working 20 5mm fuse and spare
● Complies with **UL, CSA, VDE, SEV, SEMKO, DEMKO, NEMKO** and **FEMKO**
● For rear insulation boot, Order Code 427-330 see **page 417**

Contact rating	10A@ 250Vac	Terminations	6.3mm 0.5mm fast-on
