M12 Micro-change® Splitter Boxes & Jumper Cables

www.wdhd.co.uk

- Frees up skilled workforce for more demanding tasks, whilst reducing the risk of wiring errors and increasing factory throughput
- Quick disconnect solution enables installation or maintenance by semi-skilled operators, especially when unscheduled down time occurs through device or cable failure
- Twin I/O versions increase the density of control devices per unit with LED indication of power and signals for fast fault finding
- Robust design, waterproof to IP68

8 Way Top Mount M12 Splitter Box Integral Cable Single I/O

8 Way Top Mount M12 Splitter Box Field Attachable Dual I/O

M12 Male Straight 3 pole to M12 Female Straight 3 pole jumper

M12 Male Straight 3 pole to M12 Female 90° 3 pole jumper
