Fume Extraction Spares – Arm Evac 200

	Price Each			
	Order Code	1+	2+	5+
Pre Filters (Pk Qty 5)	322-8514			
General Purpose Filter (HEPA/GAS)	322-8526			
Adhesive Filter	322-8538			

Zero Smog Twin Extraction Pump

- Designed for use with one or two Weller fume extraction soldering irons
- Silent in operation to allow bench top use
- Maintenance free pump
- Efficient four-stage replaceable filter system
- Reduces harmful soldering emissions by extracting 99.9% of fumes before they are released into the environment
- Operates from a compressed air supply at 3.5 to 7 bar

Mfrs. List No.	Order Code	1+	Price Each	3+	6+
WFE	957-884				

Fume Extraction – WFEP

- Built-in pump makes it independent from compressed air
- Maintenance free motor
- Fast filter exchange with the filter-lift-system
- Supplied with UK mains lead

Max. capacity: 2 FE Soldering irons
Sound level: 40 dB (A)
Power absorption: 50W

Fume Extraction Kit	Price Each

Fume Extraction Irons FE25, FE75 and FE80

FE25

FE75

FE80

- A range of fume extraction irons

FE25

- Micro soldering pencil 24V/25W
 - Uses MT series tips
- Consists of: Iron, Funnel, MT-H Tip, Cylinder Brush

FE75

- Soldering pencil 24V/80W
 - Uses LT series tips
- Consists of: Iron, Funnel, LT-B Tip, Cylinder Brush

FE80

- Soldering iron 24V/80W
 - Uses HT series tips
- Consists of: Iron, Funnel, HT-2 Tip, Cylinder Brush, Wrench 10/14mm

Mfrs. List No.	Order Code	1+	Price Each	5+	10+
FE25	322-5549				
FE75	322-5550				
FE80	322-5562				

Bench Holder – KH23

- Suitable for FE25, FE50, FE50M, FE50MAS and FE80 with fume extraction

Order Code	1+	Price Each	5+	10+
841-419				

Filters

WFE, WFEP and Obsolete ZF-2

	Mfrs. List No.	Order Code	1+	Price Each	3+	6+
Top (Exhaust) Filter	TF-2	479-524				
Main Filter	MF-2	479-536
