Drill/Driver Only	107-169			
Drill/Driver Kit	307-2009			
Chuck and arbor	107-170			
Batteries				
1.2Ah	107-171			
4Ah	107-172			
7Ah	107-173			

PES 9.6T Cordless Screwdriver Industrial

Atlas Copco

- 10mm keyless chuck
- Two-speed synchromesh gears
- Variable pre-selection of speed
- Quickstop motorbrake
- 19-stage torque adjustment
- Direct bit reception
- 2-way-flex battery pack insertion
- 60 minute rapid charger
- Supplied in a transport case
- 2 x 9.6V longlife battery packs

Capacity mm		Max. Torque Nm	
Steel	10	Soft joint	8.6
Wood	24	Hard joint	24.2
Speed rpm		Voltage	9.6v
1st gear	0-380	Battery Capacity	2.0Ah
2nd gear	0-1000	Weight with battery pack	1.3kg

	Mfrs. List No.	Order Code	1+	3+	6+
Drill Screwdriver	PES9.6T	711-5763			
Spare battery	B9.6V	711-5775			

Cordless Drill/Drivers

9.6V Cordless Drill/Driver

- 10mm keyless chuck
- T shaped for comfortable use
- 2 speed gearbox
- Variable speed trigger
- Forward/reverse rotation
- 16 torque settings, 19Nm
- Standard equipment: charger, NiCad battery cartridges 9.6V, 1.3Ah, battery cap, screwdriver bit, all complete in a carry case

Max capacity:		No load speed	
Wood	21mm	Hi 0 – 1,100rpm	
Steel	10mm	Lo 0 – 350rpm	
Wood screw	No. 10		

	Mfrs. List No.	Order Code	1+	3+	6+
	6226DW-EX	352-5521			

Variable 2 Speed, Reversing Screwdriver/Drill 9.6V Industrial Standard

Makita

Note: Industrial standard power tools are designed specifically for the professional user and will give reliable service in industrial environments.
H = 260, W = 54, D = 260

- Two speed variable reversing drill
- Torque control for **accurate and damage free screwing**
- Electric brake which will stop chuck rotation instantly when the trigger is released
- Supplied with a 10mm keyless chuck
- 1 hour charger, 2 batteries and case

Drill		Battery Charger	
Drilling dia.		Input	230V 50/60Hz
Steel	10mm	Output	7.2 to 9.6V dc
Wood	18mm	Changing time	1 hour
Screw size	up to 5.5 55mm		
Speed	0 to 400/0 to 1100 rpm		
Weight	1.7kg		
Mfrs. List No.	6095D WB-EX		

	Order Code	1+	3+	6+
Drill 2 Batteries charger and case	457-826			
Spare battery pack	457-772			

Variable Speed, Reversing, Torque Control Industrial Standard

BOSCH

- Two speed variable reversing drill
- Torque control, electric brake and spindle lock
- Ideal for screwing
- Torque control can be locked
- Supplied with 13mm keyless chuck, 1 hour charger, case and 2 1.4 Ah batteries

Voltage	9.6V	Charge time	1 Hr
Speed	0-350/0-1000	Chuck size	10mm
Torque settings	5		

Note: Industrial standard power tools are designed specifically for the professional user and will give reliable service in industrial environments.

Mfrs. List No. GSR9.6V

	Order Code	1+	3+	6+
9.6V Drill	500-641			
9.6V Battery	500-690			

Angle Drill Reversing 9.6V Industrial Standard

Makita

H = 95, W = 340, D = 60

- Variable speed, reversing angle drill
- Supplied with a 10mm keyless chuck, 1 hour charger, battery and case

Drill		Charger	
Maximum in	Steel 10mm	Input	230V 50/60Hz
	Wood 12mm	Output	7.2V to 9.6V dc
Maximum size woodscrew	No. 10 1	Charge time	1 hour
No load max. speed	800rpm		
Weight	1.3kg		
Mfrs. List No.	DA391DWB		

	Order Code	1+	3+	6+
Drill, case and charger	559-386			
Spare Ni-MH battery	312-8143
