DELIVERY

All spectacles with prescription lenses will be supplied as standard with spectacle cord, spectacle cloth, side shields and metal case. The prices for complete spectacles are irrespective of lens material (CR39, Polycarbonate or hardened lenses) and prescription.

N-VISION

"A clear vision for the future of eye protection" is still our statement. Following on from the success of the Edge we are proud to present the N-Vision.

- Features:
- A combination of protection, comfort and style.
 - "Rapid-Change" lens system.
 - Adjustable temples.
 - "Flexi-Fit" non-slip nose piece.
 - Compatibility with North's unique RX II-insert for prescription.

The N-Vision is a must to: See, Feel and Touch!
