

Contact strip (H)

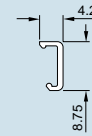

For conductive mounting of backplanes.
 ■ Length 84 HP
 ■ Slides onto the rear horizontal rail

Material:
Aluminium

Surface finish:
Clear chromated

Usable width (HP)	Packs of	Model No. RP
84	1	3684.612
84	2	3685.273

Insulating strip (G)

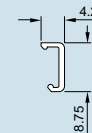

For insulated mounting of backplanes.
 ■ Length 21 HP
 ■ Snaps onto the rear horizontal rail

Material:
Plastic, self-extinguishing to UL 94-V0

Usable width (HP)	Packs of	Model No. RP
21	1	3684.611
21	8	3685.274

Rear horizontal rail equipped with insulating strip (top) and contact strip (bottom).

Perforated strip

Material:
Aluminium

Surface finish:
Clear chromated

Usable width (HP)	Packs of	Model No. RP
84	2	3685.275
