

CWM Wire marker cards

Tyco Electronics CWM are pre-printed wire markers made with our white vinyl coated cloth tape material, supplied on a thick, easy to handle card stock, with a permanent, rubber based, pressure sensitive adhesive for easy application. Ideal for basic wire marking applications where pre-printed single or double-digit legends and some resistance to a variety of solvents, water, oil, dirt and heat is required.

Features and benefits

- Convenient and easy to use.
- Pre-printed for on-site wire marking.
- Available in colors for color coding applications.
- Available in single and multiple digit legends.

Specifications/approvals

Tyco Electronics TTDS-100

Temperature rating

Operating temperature range -40°C to +82°C -40°F to +180°F

CWM Wire marker cards (Cont'd)
