IC TUBE PIN EXTRACTOR

Code L80NS

Description

The IC tube pin extractor offers a safe, quick and easy way to remove the plastic stops on the ends of IC tubes. The extractor operates by a spring-loaded tweezer action and safely holds the pin in its jaws for discarding into waste receptacle. Measures 100 x 42 x 20mm and weighs 40 grams.

To use, simply place the tool over the end of the plug, hold the tube with the other hand, snap-shut and pull out the pin.
